New York, city

Dear sir

I have for sale quite a number of different old Russian coins — Copper, Silver & Gold. Have also a few gold old Belgians.

If you are interested in them please let me know about the time and I will bring them over to the Museum at 156th & Broadway or any other place you wish to.

Yours very truly
B. Gladstone

Dear Sir:

In reply to your favour of November 16th, we should be glad to look at your coins if you care to bring them to the Museum any day but Mondays. I would suggest your making an appointment by telephone before calling here.

Very truly yours,

Curator
